| Important Questions | Answers | Why This Matters: |
|--|--|---|
| What is the overall deductible? | \$0 for network providers \$500/Individual or \$500/family for out- of-network providers | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your deductible? | Yes. Preventive care and primary care services are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet for <u>deductibles</u> specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Yes. For network providers., \$1,250 person/\$2,500 family. For out-of-network providers, \$4,500 person/\$9,000 family. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u> ? | Copayments for certain services, premiums, balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See www.anthem.com/ca/ or call 1-408-288-4400 or Anthem Blue Cross at 1-800-688-3828 for a list of network providers. | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>Level One network</u> . You will pay the most if you use <u>Level Two out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the specialist you choose without a referral. |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
