Why choose Blue Shield of California?

Blue Shield's mission is to create a healthcare system that is worthy of our family and friends – and that includes you.

Two things that are most important when choosing a Medicare Supplement plan:

How much does my plan cost?

Use the Summary of Benefits and Rate Sheets – located in this kit – to compare what you will pay with our plan versus other plans.

Can I still see my doctor?

You can go to any medical doctor who accepts Medicare anywhere in the United States.

More reasons to choose Blue Shield

Flexibility and savings¹

You can choose from many different Medicare Supplement plans designed to fit your needs and budget. You can also complement your Medicare Supplement coverage with Medicare Part D prescription drug coverage and dental plans. We also have savings programs that give you the opportunity to save on your monthly plan dues.

Opportunity for additional savings

Welcome to Medicare Rate Savings¹ New to Medicare? Then, we want to welcome you! You can save \$25 each month for the first 12 months on your Medicare Supplement plan rates if you're new to Medicare Part B.¹ To qualify, you must be age 65 or older, and Blue Shield must receive your application within six months of the date you first enrolled for benefits under Medicare Part B. The savings will be in effect for the first 12 months of your plan dues.

Member dental plan savings¹ You can save \$3 each month for the first six months on your dental plan rates if you enroll in a dental plan at the same time you enroll in any Blue Shield Medicare Supplement plan.¹

AutoPay

AutoPay is a simple, convenient way to pay your dues. Simply authorize Blue Shield to automatically withdraw the monthly dues from your personal checking or savings account each month. By choosing this method, you will save \$3 per month on your plan dues.^{1,2}

To enroll, after receiving and paying for your first bill, register for and log in to your Blue Shield account at **blueshieldca.com** and go to the *Billing and Payment* tab. You may also call Customer Service at **(800) 248-2341 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week, year-round. Requests to enroll in AutoPay may take up to two billing cycles for completion. You should pay all paper bills you receive until you receive a letter confirming registration in the AutoPay program.^{1,2}

Household Savings Program¹

If you and another member of your household are age 65 or older and are accepted in the same benefit plan type, you may be eligible for a 7% monthly savings on your combined medical dues when coverage is issued under one agreement.¹ Both members must share the same home, mailing, and billing address. For more information, please ask your Blue Shield representative for eligibility and details about our Household Savings Program.

Please note: If you are currently enrolled in a Medicare Supplement plan, you may transfer to a plan of equal or lesser value during your annual open enrollment period, which begins every year on the first day of your birthday month and ends 60 days after your birthday. However, if you have the Household Savings Program and change to a benefit plan that is different from the one the other member of your household has, you will no longer be eligible for the 7% savings.

¹ Savings due to increased efficiencies from administering Medicare Supplement plans under this program/service are passed along to the subscriber. Household Savings Program does not apply to tobacco users. Welcome to Medicare Rate Savings does not apply to Plan N.

²\$3 savings per month up to six months.

Something to smile about

Make the choice, make it Blue Shield

Blue Shield offers two dental plans.

Good reasons to enroll

Dental plan advantages:

- An extensive network of nearly 46,000 general and specialty care dentists in California and nearly 350,000 nationwide.¹
- Three annual teeth cleanings, X-rays, and an oral cancer screening are covered at 100% when using network providers.
- No waiting period for dental checkups, cleanings, fillings, X-rays, or basic services.²
- A wide range of major restorative dental services and procedures, including crowns, endodontics, periodontics, oral surgery, and prosthetics.

Adults age 60 and older have a greater risk of cavities.

The average age of people diagnosed with mouth cancer is 62, according to the American Cancer Society. Because mouth cancer develops without causing pain, early detection is essential. Our dental PPO plans cover 100% of the cost of an oral cancer screening.³

Get covered

With Blue Shield's dental plans, you have a choice of coverage that may fit your needs.

Monthly rates effective July 1, 2025:						
	Dental PPO 1000	Dental PPO 1500				
Individual	\$39.20	\$58.80				

Did you know?

You may be surprised to learn that more than 90% of all common diseases have oral symptoms.⁴

Whether you need treatment or just want preventive care, it's never too late to get on track and choose Blue Shield dental coverage to help maintain your overall health.

As we get older and take more medications, we can sometimes forget what those medications are.

Something as simple as aspirin – a blood thinner – can end up causing bleeding during and after a dental procedure. Make sure your dentist has your full medical history and list of medications.

Choose from two dental plans

With a Blue Shield dental plan, you'll have the freedom to choose any provider you want, but you will save more when you choose a provider in your plan's network. For more details, please refer to the following dental plan charts.

Dental PPO highlights matrix

The following information is intended to help you compare coverage benefits and is a summary only. You should consult the *Dental PPO 1000* and *Dental PPO 1500 Evidence of Coverage* and *Health Service Agreement* for a detailed description of coverage benefits and limitations.

Household Savings Program

If you are enrolled in a Medicare Supplement plan with household savings, you may enjoy the convenience of a single bill for you and your other household member. Keep the same convenience when you choose your dental plan by matching your dental plan enrollment with your Medicare Supplement plan enrollment. You and your other household member need to select and enroll in the same dental plan.*

Become a member today

If you are applying to become a Medicare Supplement plan member, you can sign up for a Blue Shield dental plan at the same time by selecting a plan on the Medicare Supplement plan application. If you're already a Blue Shield Medicare Supplement plan subscriber, or if you are only interested in our dental plans, please fill out a separate application.

If you have questions, contact your Blue Shield agent today or call toll-free **(855) 217-1539 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week from October 1 through March 31 and 8 a.m. to 8 p.m., Monday through Friday, from April 1 to September 30.

To find a dentist, or to see if your dentist is in our network, visit **blueshieldca.com** and click *Find a doctor*. Or, for a list of dentists, call **(888) 679-8928**.

Implants, crowns, and dentures can make dental care for seniors costly. Start planning for dental care before retirement and take care of your teeth.

* Savings due to increased efficiencies from administering Medicare Supplement plans under this program/service are passed along to the subscriber. Households Savings Program does not apply to Plan N.

Endnotes

- 2 Dental PPO 1500 plan members have a 12-month waiting period, and Dental PPO 1000 dental plan members have a 6-month waiting period for major restorative services and procedures (such as crowns, endodontics, periodontics, oral surgery, and removable or fixed prosthetics). The waiting period may be waived with proof of prior comprehensive coverage.

DISCLOSURES

Use this outline to compare benefits and charges among policies.

INFORMATION ABOUT PREPAID OR PERIODIC CHARGES

Blue Shield can only raise your charges if it raises the charges for all contracts like yours in the state. Your dues will automatically increase annually on July 1st and the amount due will be based on your attained age on that date.

If you're applying more than 60 days before your effective date, the rates listed are subject to change.

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing the most important features of your Medicare Supplement plan contract. This is not the plan contract, and only the actual contract provisions will prevail. You must read the contract itself to understand all of the rights and duties of both you and Blue Shield of California.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your contract, you may return it to **Blue Shield of California**, 601 12th St, **Oakland**, **CA 94607**. If you send the contract back to us within 30 days after you receive it, we will treat the contract as if it had never been issued, and will return all of your payments.

POLICY REPLACEMENT

If you are replacing other health coverage, **do NOT** cancel it until you have actually received your new contract and are sure you want to keep it.

NOTICE

This contract may not fully cover all of your medical costs. Neither Blue Shield of California nor its agents are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "The Medicare Handbook" for further details and limitations applicable to Medicare.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new contract, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your contract and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

NOTE: The preceding pages are only an outline describing the most important features of our Medicare Supplement plans. Complete information about the plans' benefits, limitations, and exclusions can be found in our Medicare Supplement plan Evidence of Coverage and Health Service Agreement (Service Agreement). The Service Agreement will be your plan contract if you become a Blue Shield member.

Please read the Service Agreement completely. You have the right to receive a copy of the Service Agreement before you enroll, and we will be happy to provide you with a copy upon request. To request a copy, or if you have questions or need additional information, please call Blue Shield Customer Service at (800) 248-2341 [TTY: 711 for hearing impaired]. If you have special healthcare needs, be sure to carefully read the sections of both this summary and the Service Agreement that are relevant to you before you apply for coverage.

Please reference the enrollment form section of this book.

Be sure to check the information on the application carefully, keep a copy of each page of the application for your files, then mail the original application with your first payment in the enclosed envelope.

We will notify you of your effective date of coverage and send you a bill indicating the date your next payment is due if your application is approved.

If you qualify for guaranteed acceptance into a Blue Shield Medicare Supplement plan, you will not be required to complete a health statement. If you do *not* qualify for guaranteed acceptance, you will need to complete a health statement and be subject to underwriting.

To qualify for guaranteed acceptance, you must meet certain, specific criteria as outlined in Blue Shield's Guaranteed Acceptance Guide, included in the Blue Shield Medicare Supplement plan enrollment kit.

For additional information about qualifying for guaranteed acceptance in a Blue Shield Medicare Supplement plan, please call your agent, or call Blue Shield at (855) 217-1539. You may also contact the California Health Insurance Counseling and Advocacy Program (HICAP) for guidance. HICAP provides insurance counseling for California senior citizens. Call HICAP toll-free at (800) 434-0222 for a referral to your local HICAP office. HICAP is a service provided free of charge by the state of California.

Effective date of coverage

You can expect to receive notice of approval or declination within approximately two weeks after

Blue Shield receives your application. Your coverage will be effective at 12:01 a.m. Pacific time on your effective date.

Switching from another plan to a Blue Shield Medicare Supplement plan

If you have a Medicare Advantage or Medicare Advantage Prescription Drug Plan

Most Medicare Supplement plans duplicate the coverage provided by Medicare Advantage Plans. Federal law prohibits Medicare Supplement plans from enrolling anyone who is still enrolled in a Medicare Advantage Plan if the Medicare Supplement coverage would duplicate the coverage provided by the Medicare Advantage Plan.

It works like this: Members of Medicare
Advantage Plans agree to access services
under the terms of that plan and from the
providers who contract with that plan,
rather than accessing services under the
Original Medicare program. Medicare
Advantage Plans contract with the
government and receive funds under that
contract to provide this coverage
to their members. Consequently, enrollees
of Medicare Advantage Plans do not
have access to coverage under
Original Medicare.

Medicare Supplement plans generally provide coverage only for the portion

of a claim that is left over after Original Medicare has paid its share. Since Original Medicare generally does not pay for services provided to a Medicare Advantage enrollee, Medicare Supplement plans won't pay toward the claim either. And, since Original Medicare generally won't pay if a Medicare Advantage Plan member receives services outside their Medicare Advantage Plan's network, the member is usually financially responsible for the full cost of those services.

If you are currently a member of a Medicare Advantage Plan, and would like to enroll in a Medicare Prescription Drug Plan and Blue Shield Medicare Supplement plan, or if you decide to enroll only in a Blue Shield Medicare Supplement plan, it is in your best interest to choose one of the options listed below to disenroll from the Medicare Advantage Plan.

Important note: If you are also planning to enroll in a Medicare Prescription
Drug Plan, make sure you enroll in a Medicare Prescription Drug Plan before you disenroll from your Medicare
Advantage Plan. During the Annual Election Period, disenrolling from your Medicare Advantage Plan will count as your election, and you may have to wait until the next Annual Election Period to be able to enroll in a Medicare Prescription Drug Plan. Enrolling in a

Medicare Prescription Drug Plan will automatically disenroll you from your Medicare Advantage Plan.

If you are only interested in applying for a Medicare Supplement plan without a Medicare Prescription Drug Plan, you may choose one of the options below to disenroll from your Medicare Advantage Plan.

Option 1

Go directly to your Social Security office and disenroll there. If you choose this option, ask for a copy of the disenrollment form, and please fax or mail it to Blue Shield (see below).

Option 2

Call the Centers for Medicare and Medicaid Services (CMS), the federal agency that administers Medicare, and ask to be disenrolled from your current Medicare Advantage Plan. You can reach the agency at 1-800-MEDICARE. CMS will either mail or fax you confirmation of termination from your Medicare Advantage Plan. Please forward that termination confirmation to Blue Shield via mail or fax (see below).

Option 3

Submit a written request to your current Medicare Advantage Plan and ask to be disenrolled. You can do this one of two ways:

- Call your Medicare Advantage Plan and ask for a disenrollment form to be sent to you, then complete and return the form to your Medicare Advantage Plan. Keep a copy for your records.
- Sendyour Medicare Advantage Plan a letter, which includes your name and member ID number, requesting disenrollment. Keep a copy of your letter for your records.

Your disenrollment request will be processed the same month it's received, with an effective date the first of the following month. We will be happy to accept a verbal confirmation from your health plan that you have disenrolled from their plan – just have them call us.

Phone: (800) 248-2341

Mailing address:

Blue Shield of California P.O. Box 3008 Lodi, CA 95241-1912

This will help ensure that your current Medicare Advantage coverage is terminated and that your Original Medicare coverage, which works in conjunction with Medicare Supplement coverage, is in place. For that reason, we will work with you to coordinate the effective date of any Medicare Supplement coverage we approve with

the date you disenroll from your current Medicare Advantage Plan.

If you are a member of a Medicare Advantage Plan, your disenrollment date from the Medicare Advantage Plan must be confirmed prior to final acceptance. Once your application has been accepted, Blue Shield will establish a coverage effective date for your Medicare Supplement plan.

If you have other health coverage

State laws prevent Blue Shield from enrolling you in a Medicare Supplement plan if you already have coverage, such as an existing Medicare Supplement or employer group plan that the new plan would duplicate.

To help ensure that this doesn't happen, we will coordinate your effective date of coverage under your new Blue Shield Medicare Supplement plan to coincide with disenrollment from your previous health plan.

First, we will notify you that you have been accepted in a Blue Shield Medicare Supplement plan pending verification that your other health coverage has been terminated. Once you have terminated your previous coverage, please submit proof of termination so that we can finalize your acceptance. Please refer to the questions

regarding replacement of coverage, which is included in the application.

Billing options

Once you have enrolled in a Blue Shield Medicare Supplement plan, you have several options for plan dues payment.

1. AutoPay – Pay your plan dues with Blue Shield's quick and convenient AutoPay program, an automatic electronic transfer on your billing due date from your checking or savings account. There's no check to write and no postage to pay. A record of your payment is included on your bank statement. Remember, if you choose this option, you can save \$3 off your dues each month.

AutoPay authorization instructions are included in the application within this enrollment kit.

2 **Monthly billing** – Blue Shield willsend you a bill each month.

With Option 2, the bill will tell you the date your payment is due.

The dues you pay or the benefits you receive may change during the year. In either case, Blue Shield will always let you know at least 60 days in advance.

Conditions of coverage

Termination of benefits

Your Service Agreement will not be terminated by Blue Shield for any cause except those outlined in your Service Agreement. These include:

- 1. You are no longer enrolled in Parts A and B of Medicare
- 2. Non-payment of dues

Blue Shield may cancel your Service Agreement for failure to pay the required dues.

If the Service Agreement is being cancelled because you failed to pay the required dues when owed, the Plan will send a Notice of Start of Grace Period and will terminate the day following the 30-day grace period. If you fail to pay premiums, the Plan will provide written notice of nonpayment and will terminate coverage no sooner than 30 days after the date of the written notice.

You will be liable for all dues accrued while the Service Agreement continues in force including those accrued during this 30-day grace period.

If you wish to terminate the Service Agreement, you are required to give Blue Shield 30 days' notice. Should Blue Shield have plan dues for any period after the date of termination, such dues will be returned to you within 30 days. Coverage terminates at 11:59 p.m. Pacific time on the 30th day following your request for termination.

The plan is not responsible for any services received after termination unless the subscriber is totally disabled at the time of termination. See your Service Agreement for a description of extension of benefits for disability.

Cancellation

Your coverage cannot be canceled for any reason other than those conditions specified above under "Termination of Benefits."

Reinstatement of benefits

If you receive a "Notice of End of Coverage," Blue Shield will allow you two coverage reinstatements per rolling 12-month period, if the amounts owed are paid within 30 days of the date the "Notice of End of Coverage" is mailed to you.

If your request for reinstatement and payment of all outstanding amounts is not received within the required 30 days, you must fill out an application and re-apply for coverage. Members who re-apply for coverage following termination may be

subject to medical underwriting. Call your broker or Blue Shield Customer Service representative at **(800) 248-2341** to request an application. Your coverage will begin on the day the application is approved by Blue Shield.

Renewal provision

Your Blue Shield health coverage is "guaranteed renewable" (it may not be canceled by Blue Shield) and will remain in effect as long as your dues are paid in advance, except under the conditions listed above under "Termination of Benefits" and as outlined in your Service Agreement. Blue Shield may modify or amend the Service Agreement by giving you at least 60 days' prior written notice.

Appeal of an underwriting decision

If you would like to appeal an underwriting decision, contact Customer Service at **(800) 248-2341**.

If you have questions about a service, a provider, your benefits, how to use your plan, or any other matter, you may also contact Customer Service at the number above.

Plan interpretation

Blue Shield shall have the power and discretionary authority to construe and interpret the provisions of the Service Agreement, to determine the benefits of the Service Agreement, and to determine eligibility to receive benefits under the Service Agreement. Blue Shield shall exercise this authority for the benefit of all subscribers entitled to receive benefits under the Service Agreement.

Current insurance coverage information (required for all submissions)

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare Supplement insurance contract, or that you had certain rights to buy such a contract, you may be eligible for guaranteed acceptance in one or more of our Medicare Supplement plans. The Blue Shield Guaranteed Acceptance Guide describes the different situations in which you may be eligible for guaranteed issue of a Medicare Supplement plan. It is important to note that the time period of eligibility for guaranteed issuance may vary by situation, and you must apply within this time period to be eligible for guaranteed acceptance.

If you think you qualify for guaranteed acceptance, please write the number of the qualifying situation, as described in the Blue Shield Guaranteed Acceptance Guide included in the enrollment kit or visit **blueshieldca.com/medicareoptions**, in the space below. Then attach proof of prior coverage as a separate sheet, and sign and date the sheet.

I believe I qualify for guaranteed acceptance based on situation number

- If the issuer of the Medicare supplement contract being applied for does not impose or is otherwise prohibited from imposing, preexisting condition limitations, please skip to statement 3 below. Health conditions that you may presently have (preexisting conditions) may not be immediately or fully covered under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present contract.
- State law provides that your replacement Medicare Supplement contract may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The plan will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new coverage for similar benefits to the extent that time was spent (depleted) under the original contract.
- If you still wish to terminate your present policy or contract and replace it with new coverage, be certain to truthfully and completely answer any and all questions on the application concerning your medical and health history. Failure to include all material medical information on an application requesting that information may provide a basis for the plan to deny any future claims and to refund your prepaid or periodic payment as though your contract had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.
- Do not cancel your present Medicare Supplement coverage until you have received your new contract and are sure you want to keep it.

Terms, conditions, and authorizations

Information regarding Medicare Supplement plan coverage: Before you apply, it's important that you read the following information, then sign and date at the end of this application.

- 1 You do not need more than one Medicare Supplement plan policy or contract.
- If you purchase this contract, you may want to evaluate your existing health coverage to decide if you need multiple coverage.
- You may be eligible for benefits under Medi-Cal or Medicaid, and may not need a Medicare Supplement plan contract.
- If after purchasing this contract you become eligible for Medi-Cal, the benefits and premiums under your Medicare Supplement plan contract can be suspended, if requested, during your entitlement to benefits under Medi-Cal or Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medi-Cal or Medicaid. If you are no longer entitled to Medi-Cal or Medicaid, your suspended Medicare Supplement plan contract (or if that is no longer available, a substantially equivalent contract) will be reinstituted if requested within 90 days of losing Medi-Cal or Medicaid eligibility. If the Medicare Supplement plan contract provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your contract was suspended, the reinstituted contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in, a Medicare Supplement plan contract by reason of disability, and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement plan contract can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement plan contract under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare Supplement plan contract (or if that is no longer available, a substantially equivalent contract) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement plan contract provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your contract was suspended, the reinstituted contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

- Counseling services are available in California to provide advice concerning your purchase of Medicare Supplement plan coverage and concerning medical assistance through the Medi-Cal program, including your benefits as a qualified Medicare beneficiary (QMB) and a specified low-income Medicare beneficiary (SLMB). You may obtain information regarding counseling services from the State Department of Aging.
- Receiving materials and communications electronically versus print: You may receive required benefit plan and coverage-related materials and communications via email and/or the Blue Shield website blueshieldca.com, as applicable. Obtaining a document electronically will confirm your consent to electronic delivery. You also have the right to obtain printed, mailed materials at any time and at no expense to you. To receive printed materials in the mail and to opt out of email communications, please call (800) 248-2341 (TTY: 711), 8 a.m. 8 p.m., seven days a week.

It is important to note that the time period of eligibility for guaranteed issuance may vary by situation, and you must apply within this time period to be eligible for guaranteed acceptance.

If you think you qualify for guaranteed acceptance, please write the number of the qualifying situation, as described in the Blue Shield Guaranteed Acceptance Guide included in the enrollment kit or visit **blueshieldca.com/medicareoptions**, in the space below. Then attach proof of prior coverage as a separate sheet, and sign and date the sheet.

- If the issuer of the Medicare supplement contract being applied for does not impose or is otherwise prohibited from imposing, preexisting condition limitations, please skip to statement 3 below. Health conditions that you may presently have (preexisting conditions) may not be immediately or fully covered under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present contract.
- State law provides that your replacement Medicare Supplement contract may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The plan will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new coverage for similar benefits to the extent that time was spent (depleted) under the original contract.
- If you still wish to terminate your present policy or contract and replace it with new coverage, be certain to truthfully and completely answer any and all questions on the application concerning your medical and health history. Failure to include all material medical information on an application requesting that information may provide a basis for the plan to deny any future claims and to refund your prepaid or periodic payment as though your contract had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.
- Do not cancel your present Medicare Supplement coverage until you have received your new contract and are sure you want to keep it.

Terms, conditions, and authorizations

Information regarding Medicare Supplement plan coverage: Before you apply, it's important that you read the following information, then sign and date at the end of this application.

- 1 You do not need more than one Medicare Supplement plan policy or contract.
- If you purchase this contract, you may want to evaluate your existing health coverage to decide if you need multiple coverage.
- You may be eligible for benefits under Medi-Cal or Medicaid, and may not need a Medicare Supplement plan contract.
- If after purchasing this contract you become eligible for Medi-Cal, the benefits and premiums under your Medicare Supplement plan contract can be suspended, if requested, during your entitlement to benefits under Medi-Cal or Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medi-Cal or Medicaid. If you are no longer entitled to Medi-Cal or Medicaid, your suspended Medicare Supplement plan contract (or if that is no longer available, a substantially equivalent contract) will be reinstituted if requested within 90 days of losing Medi-Cal or Medicaid eligibility. If the Medicare Supplement plan contract provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your contract was suspended, the reinstituted contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in, a Medicare Supplement plan contract by reason of disability, and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement plan contract can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement plan contract under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare Supplement plan contract (or if that is no longer available, a substantially equivalent contract) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement plan contract provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your contract was suspended, the reinstituted contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

- Counseling services are available in California to provide advice concerning your purchase of Medicare Supplement plan coverage and concerning medical assistance through the Medi-Cal program, including your benefits as a qualified Medicare beneficiary (QMB) and a specified low-income Medicare beneficiary (SLMB). You may obtain information regarding counseling services from the State Department of Aging.
- Receiving materials and communications electronically versus print: You may receive required benefit plan and coverage-related materials and communications via email and/or the Blue Shield website blueshieldca.com, as applicable. Obtaining a document electronically will confirm your consent to electronic delivery. You also have the right to obtain printed, mailed materials at any time and at no expense to you. To receive printed materials in the mail and to opt out of email communications, please call (800) 248-2341 (TTY: 711), 8 a.m. 8 p.m., seven days a week.

Guaranteed acceptance guide

Blue Shield of California Medicare Supplement plans

If you have recently become eligible for Medicare or lost or ended your health coverage with another plan, you may qualify for guaranteed acceptance in a Blue Shield Medicare Supplement plan in certain situations. This guide will help you determine whether you qualify for guaranteed acceptance. If you are age 64 or younger with end-stage renal disease, you are not eligible to enroll.

Important: Please note this guide is only a summary and is intended to help you identify the different situations that may qualify you for guaranteed acceptance in a Blue Shield Medicare Supplement plan. It does not contain all the details of each situation. Please remember that the laws regulating guaranteed acceptance plans change frequently. Please ask your sales representative or your attorney to confirm that you qualify for guaranteed acceptance.

If you and other members of your household are age 65 or older and are accepted in the same benefit plan type, you will save 7% on your monthly dues if coverage is issued under one agreement. Under a household savings agreement, each of you must either qualify for guaranteed acceptance, or be subject to underwriting.

For more information about guaranteed acceptance, please contact your agent or call your Blue Shield sales representative at **(855) 217-1539 (TTY: 711)** for the hearing impaired, 8 a.m. to 8 p.m., seven days a week from October 1 through March 31 and 8 a.m. to 8 p.m., Monday through Friday, from April 1 to September 30.

If you are already a subscriber, call Customer Service at **(800) 248-2341 (TTY: 711)** for the hearing impaired, 8 a.m. to 8 p.m., seven days a week, year-round.

You may also contact the California Health Insurance Counseling and Advocacy Program (HICAP) for guidance. HICAP offers health insurance counseling for California senior citizens. Call HICAP toll-free at (800) 434-0222 for a referral to your local HICAP office. HICAP is a service provided free of charge by the state of California.
